

Pathways of Miami Township is a community group working with the Miami Township to create a network of recreation and transportation pathways for residents to safely walk and bike throughout the township. One of our current projects is to create an attractive brick walkway along Wolfpen-Pleasant Hill Rd in front of the Milford Junior High School. This is the beginning of a safer environment for students and residents.

This project will be funded in part by the sale of engraved brick pavers that will be incorporated into the walkway. This is an opportunity to immortalize your commemoration and contribution to the community:

- Honor your children, their achievements in athletic, academic or other activities
- Alumni to be remembered and share in the history of Milford schools
- Individuals, families, businesses, and organizations display your contributions and involvement in the community
- A memorial to a friend or loved one
- An ideal gift for family members and friends who seem to have everything.
- Show you care about our community, its people, their future and quality of life

In recognition of your contribution of \$45 or more, *Pathways of Miami Township* will have your inscription engraved into a 4" x 8" rectangular paver and incorporate it into the walkway.

To order an engraved paver, complete and detach the form below. Mail the form with a check or money order made payable to "**Miami Township Community Foundation/Pathways**" to: *Pathways of Miami Township C/O Jenny Brewer, 5565 Day Drive, Milford, Ohio 45150.*

For more information about this project or *Pathways of Miami Township*, call Jenny @ 831-5597 or visit our web page at the township's site: www.miamitwp.org, follow the links to Parks/Bicycle and Pedestrian Pathway Plan

Contribution Form

(One form per inscription. For additional inscriptions, include an additional form or write on a separate page)

Enclosed is my contribution for \$_____ for ____ paver(s) to help the Junior High School Walkway project. I want the below inscription engraved in my paver in recognition of my contribution.

Name(s) of Donor(s) _____ Phone (for order questions)_____
